Our contemporary spa furniture range has something to offer for everyone who wants to design their own spa surround

The modular pieces can be used in a variety of combinations to personalize the look and feel of your very own entertainment unit that perfectly surrounds any round spa with a diameter of 60" - 84" / 150-213cm

The Canadian Spa range of portable spa furniture includes a love seat, step, side table/stool, planter and a bar with a tempered safety glass top.

All items are made of weather-proof synthetic rattan with a heavy gauge, rustproof aluminum frame.
An additional powder coated finish provides extra protection from chipping and friction.

* Also available to purchase as individual pieces, so the customization possibilities are endless!
